1. BUSHBY'S – AUTO WASH & WAX 50/100 is a specialty vehicle wash made for the car enthusiast and detail industry.
2. AW&W 50/100 contains imported NANO technology polymers to provide the cleanest and brightest finish available.
3. Our NANO technology is the latest available in Australia and provides a protective layer to your vehicles body. The Polymer when applied works much like a wax and improves paint protection and appearance.
4. AW&W 50/100 is built with the specialty vehicle market in mind. Therefore it has a maximum pH of 8.5. It contains rust inhibitors and will not dull or effect body paint in short or long term use.
5. Pop Rivets and joining components are protected from harsh caustic solutions. Our complex formulae contains up to 18% actives that provide a superior clean with the highest level of protection for your vehicle.

AUTO WASH AND WAX is available in two different concentrations. AW&W 100- is the most concentrated product and can be diluted as far as 100:1 depending on soiling and cleaning methods.

AW&W 50- can be diluted as far as 50:1 depending on soiling and cleaning methods.

**DIRECTIONS FOR USE:** Suitable for use with foam guns, broom washing and automatic car wash procedures.
