## Product Information

- ★ hand & machine use
- ★ protects beer integrity
- ★ great dilutions
- ★ superior finish

- ✓ SEPTIC SAFE
- ✓ BIODEGRADABLE
- ✓ PHOSPHATE FREE

Available  
in 5 or 20  
Litre drums

## COMMERCIAL BEER AND DRINKING GLASS CLEANER

Developed for the hospitality industry for routine manual glass cleaning duties.

# BEER AND WINE GLASS CARE

Approved for both machine and hand washing, Crystal Glass is a concentrated, high-performance, non-toxic product specifically formulated for removing dirt and build up from all types of glassware.

Crystal Glass Concentrate will clean all glassware to a hygienic level, leaving the surface free from dirt and germs, enabling perfect beverage presentation.

- Crystal Glass is a concentrated, high performance, liquid glass detergent.
- Approved for both hand-scrubbing of glasses and for use (when diluted) in all major brand glass washing machines.
- Crystal Glass has descaling properties to help maintain clean hygienic equipment.

## **Ideal for use:**

- For use in all major brand commercial dish washers and glass washers
- Hand washing/scrubbing glasses

## **Safety**

When using Crystal Glass, follow the safety directions on the label. Always read instructions before use. Refer to the Safety Data Sheet for more information.

## **Directions for use:**

Commercial Glass washer: Connect drawing hose to bottle and allow the glass washer to draw chemical as required. Results may prove to require some adjustment to the machines dosing equipment. Alternatively, in another container, pour 1 part Crystal Glass into 2 parts water and add feed tube from machine to new container. This will further dilute the product which may save some mechanical adjustment. Adjust solution ratio based on results.

## **Hand washing**

Place scrubbing device directly into solution and use or pour solution into/onto scrubbing device.

General Glass Maintenance: 1 Part Crystal Glass to 100 parts warm water.

100mls in 10 Litres of water.

**Heavy Staining:** Dilute 1 Part Crystal Glass to 50 parts warm water.

200mls in 10 Litres of water.

Be sure to Descale your machine glass washer when required with Bushby's D-Scale for best results.

## WHO ARE WE?

**Bushbys** has been established for over 30 years.

**Bushbys** cleaning products has been a family owned company since 1975 that manufactures a wide range of eco-friendly cleaning chemicals for resellers and wholesalers.

## WHY BUY BUSHBYS
