- ★ built up scale remover
- ★ machine protection
- ★ saves time & money
- ★ superior finish

- ✓ SEPTIC SAFE
- ✓ BIODEGRADABLE
- ✓ PHOSPHATE FREE

COMMERCIAL DISHWASHER
DE-SCALER

COMMERCIAL EQUIPMENT DE-SCALER

'Removes Calcium, Scale and Rust from metal and mineral surfaces'

WHERE TO USE: Automatic dishwashing machines, kettles, urns, metals and ceramics.

BEST KNOWN FOR: Scale removal from hard water areas and protecting equipment from mineral build up.

SURFACES: Cleans a wide variety of surfaces – see below.

ENVIRONMENTAL: Bio-degradable, septic safe

Scale build up can inhibit and reduce efficiency of heating elements in commercial and domestic equipment as well as creating rust and degradation of material surfaces.

Descale was developed to remove rust and medium levels of mineral deposits such as calcium from stainless steel, ceramic and painted surfaces.

This low foaming product can be applied and safe to use in C.I.P (Clean in Place) systems in the food industry and in commercial washing and laundry equipment.

Descale is often used in Builders Cleans as it is effective in removing a wide range of associated materials from tiled surfaces such as excess grout and silicones.

HOW TO USE

1. Dilute as directed
2. Apply the solution to the surface. Allow it to soak for 5-10 minutes.
Descale can be applied by being poured (Do not spray / mist) brushed or via a mop and bucket.
3. Rinse the surface well with potable water.
4. Solution strength may vary depending on soil type and build up

Note:

- Do Not use on Marble, terrazzo, limestone or any acid sensitive surfaces as it will etch and leave marks to these surfaces.
- Always pre-test the surface to be cleaned prior to application.
Refer to sds (safety data sheets) for more information

WHO ARE WE?

Bushbys has been established for over 30 years.

Bushbys cleaning products has been a family owned company since 1975 that manufactures a wide range of eco-friendly cleaning chemicals for resellers and wholesalers.

WHY BUY BUSHBYS

Bushbys product range offers the latest in technology, best-practice manufacturing and innovative use of natural, eco-friendly ingredients, ensuring you have access to a safe and Earth-protecting selection of products.

Bushbys is dedicated to providing only the best solutions in cleaning and hygiene practices, demonstrating our ongoing commitment to the environment and the safety of our clients.

Bushbys is committed to providing clients with a professional and reliable service, which is supported by quality, cost-effective products, providing value for money and achieving superior results.

Bushbys is committed to leading the industry in minimising the impact of our activities on the Environment by; providing Bio-degradable, environmentally safe, water economising cleaning products as our priority.

Bushbys is an Australian based Company and is conscious of the impact our company has on future generations. This is demonstrated by using Eco friendly ingredients which are bio degradable and non-toxic.
