- ✓ SEPTIC SAFE
- ✓ BIODEGRADABLE

**TOTAL BATHROOM, TOILET,  
GROUT AND METAL CLEANER**

# SHOWER PRO – HEAVY DUTY

## HEAVY DUTY TOTAL BATHROOM, TOILET AND GROUT CLEANER

"SHOWER PRO - the first of its kind, in the world!"

SHOWER PRO- (HD) is a total bathroom cleaner made to clean everything from your shower, sink, toilet, tapware, floors and benches and grout.

Where SHOWER PRO is unique different from other bathroom products is in the 'water treatment technology'. This inhibits minerals from being released onto surfaces. In doing so, scale, rust, soap scum, calcium and general mineral deposits are not able to form, protecting all metals and shower glass from deteriorating. Surfaces stay protected and cleaner, for longer.

### SHOWER PRO – HD, is unique:

- Non-toxic, readily biodegradable and septic safe.
- incorporated- high shine technology
- hydrophilic technology (repels water from surfaces)
- NEW! Water treatment technology (discourages mineral dropout)
- anti-bacterial
- anti- fungal
- removes stains
- non-corrosive (does not attack metals such as tapware and shower surrounds)
- for domestic and commercial use

**How to use:** Should be applied by a brush, mop or coarse spray. Avoid generating a fine mist as the vapours are irritating to the skin and eyes. Allow time to penetrate, then rinse and wash off with water.
